The Stryker logo consists of the word "stryker" in a bold, black, lowercase sans-serif font.

The Medartis logo features the word "medartis" in a black, lowercase sans-serif font, followed by a registered trademark symbol (®).

PRECISION IN FIXATION

The Medeco-ch logo is a blue rectangular button with rounded corners. The text "Medeco-ch" is written in white, sans-serif font. The right side of the button has a white curved shape, giving it a 3D effect.

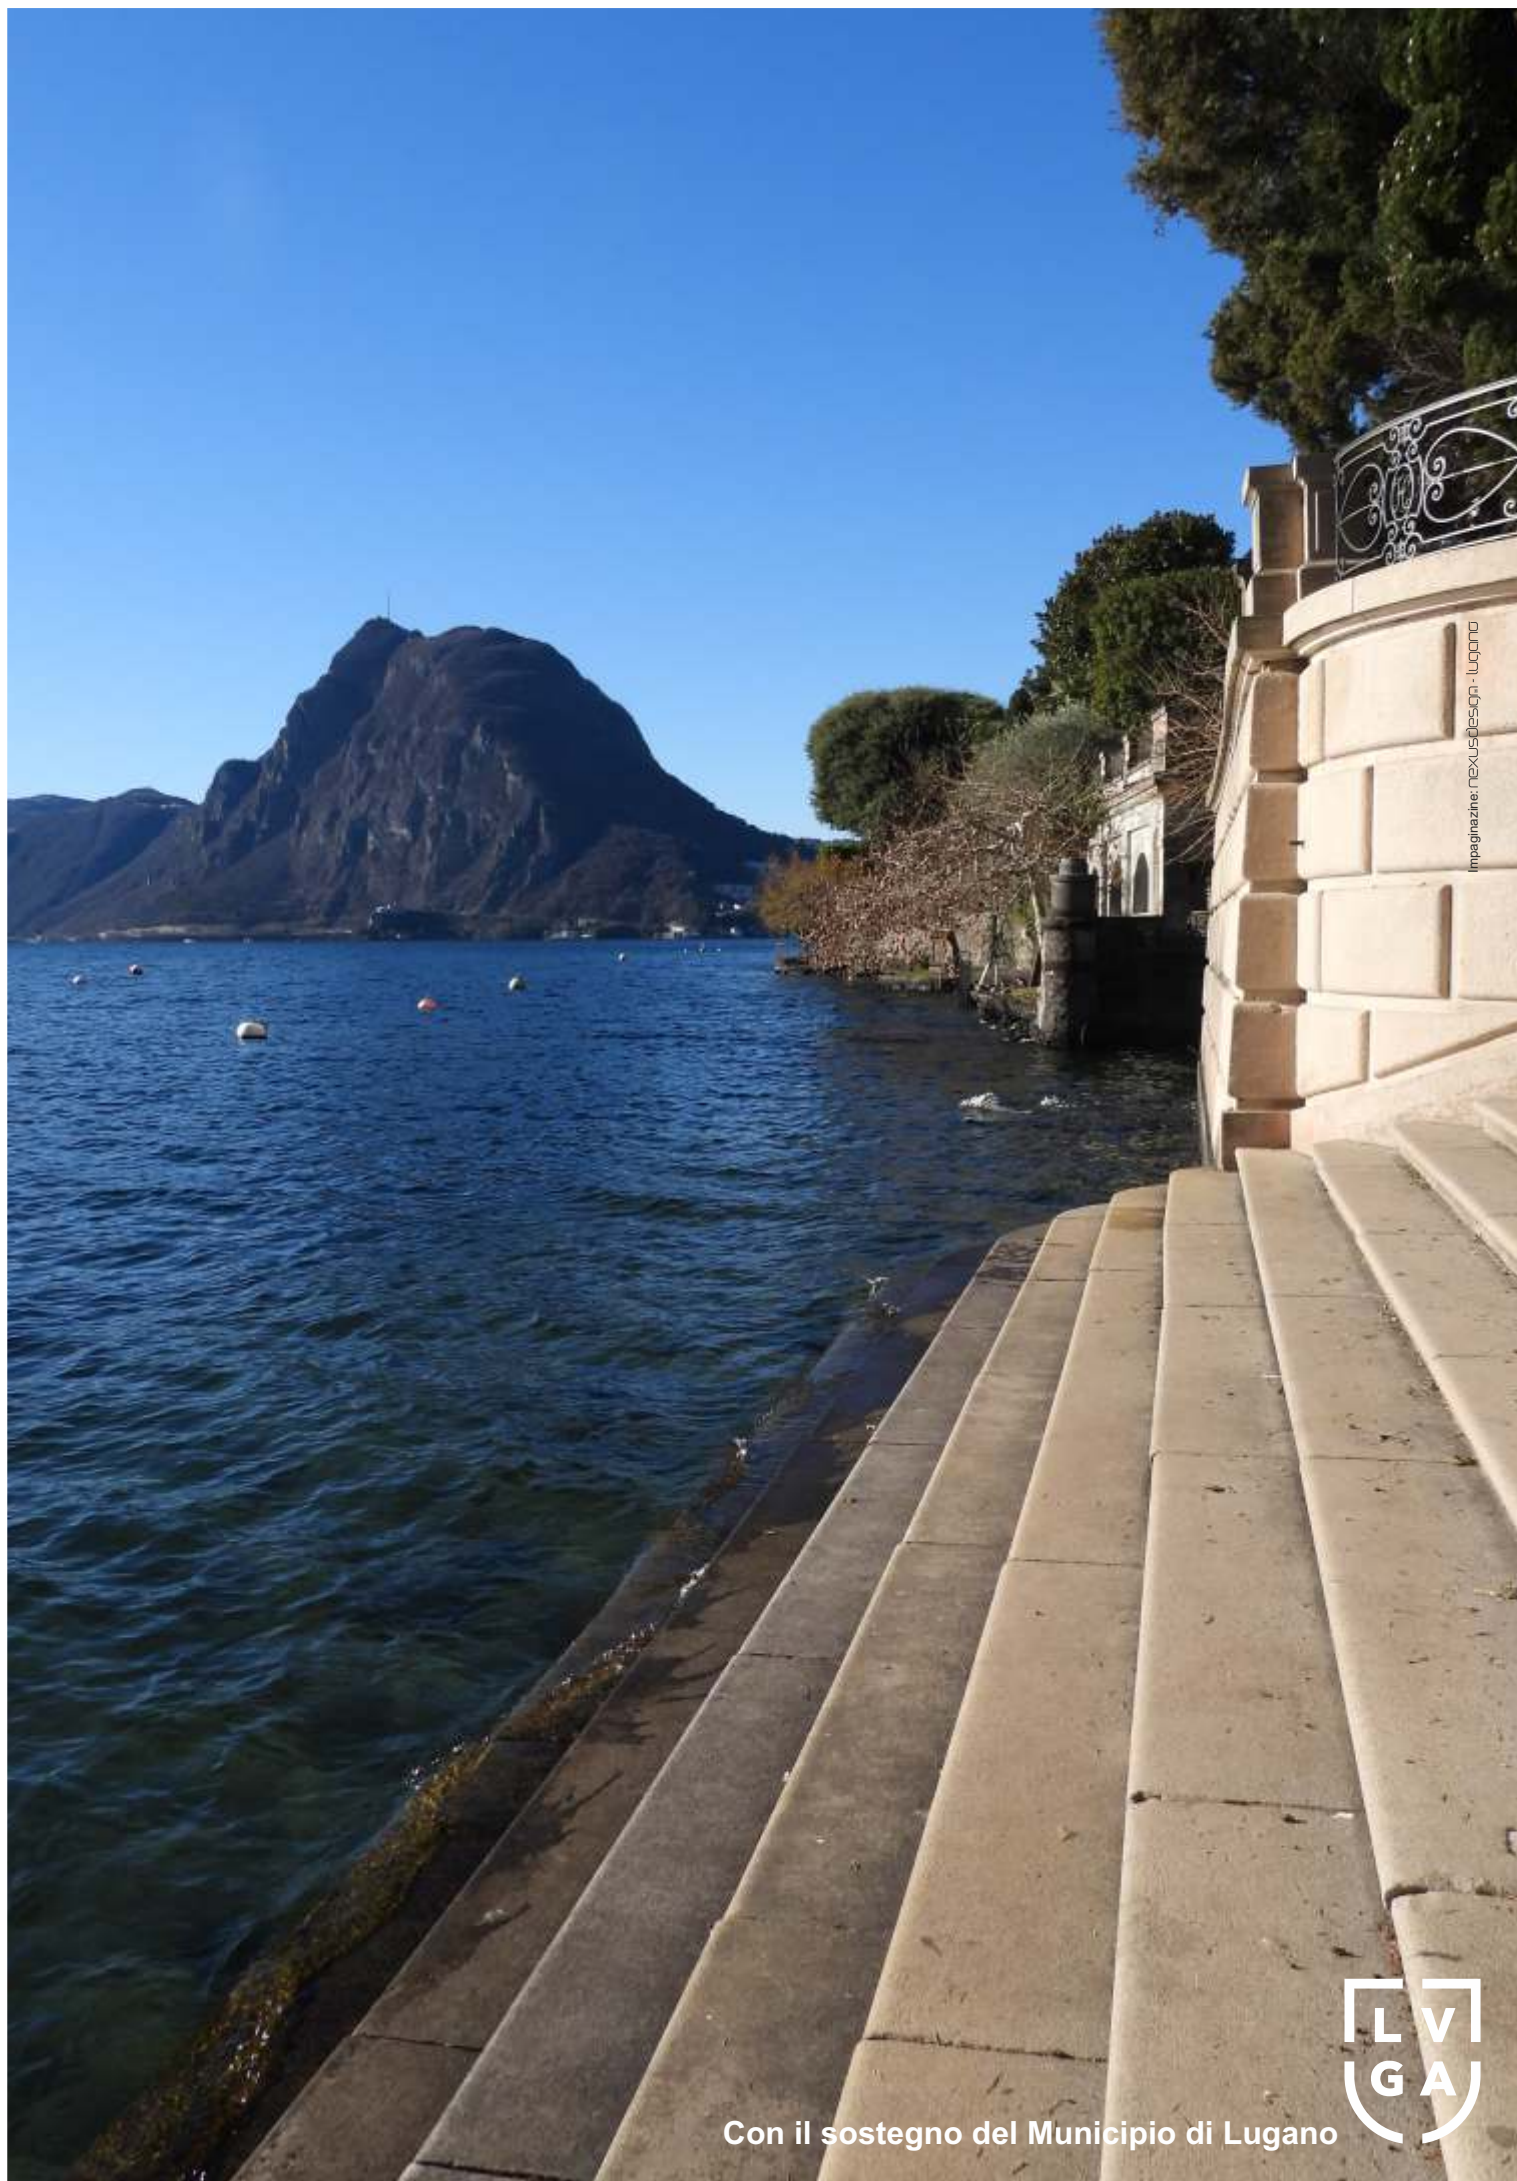

The Arthrex logo features the word "Arthrex" in a bold, black, sans-serif font. To the right of the text is a stylized black icon of a surgical instrument, possibly a grasper or retractor, with a circular handle.

The Advita Ortho logo features a green circular icon with a white stylized 'A' inside. To the right of the icon, the word "advita" is written in a bold, black, sans-serif font, and the word "ORTHO" is written below it in a smaller, green, sans-serif font.

The Geistlich logo consists of the word "Geistlich" in a bold, blue, sans-serif font.

The Johnson & Johnson MedTech logo features the words "Johnson & Johnson" in a red, sans-serif font, with "MedTech" written below it in a smaller, red, sans-serif font.

The Lüdi Medical logo features the word "lüdi" in a green, sans-serif font, followed by a stylized green and blue icon of a person running, and the word "medical" in a blue, sans-serif font.
